It specializes in these areas: manufacturing, administrative support, warehousing and distribution, sales, customer service, industry, banking, engineering, finance, health care, technology and human resources. The company is headquartered in The Netherlands.

ManpowerGroup Solutions

<http://manpowergroup.com/>

ManpowerGroup Solutions is headquartered in Milwaukee, Wisconsin and has nearly 3,900 offices in over 80 countries. The company has several "brands," starting with ManpowerGroup Solutions, which provides outsourcing for human resources. Experis specializes in professional resources such as engineering, IT, finance, accounting, and healthcare. Manpower provides both contingent and permanent recruitment and staffing services. Finally, Right Management offers clients its expertise in talent assessment, leadership development, organizational effectiveness, employee engagement, and workforce transition and outplacement.

Allegis Group

<http://www.allegisgroup.com/>

Allegis Group is the largest privately held staffing company in the United States with 8,000 direct employees and 90,000 contract workers, and it serves a wide variety of industries. Allegis is international in scope and focuses on providing staffing for technology, industry, IT, management, professional and accredited accounting, human capital consulting, and overall workforce management staffing. The company's headquarters are in Hanover, Maryland.

Kelly Services

<http://www.kellyservices.com/Global/Home/>

Kelly Services is also a US based company with its headquarters in Troy, Michigan. Originally, the company focused on providing staffing for office services, call centers, light industrial, and electronic assembly. Today, Kelly's service lineup has expanded to include outsourcing, recruitment and staffing in the areas of finance and accounting, education, engineering, information technology, law, science, and healthcare. Kelly is the world's largest scientific staffing provider and it ranks among the leaders in IT, engineering, and financial staffing.

These are just a few firms in the otherwise huge pool of staffing agencies throughout the world. However, as the top 5, they set the pace for the industry in general.
